AAC "L" ITEM NSN 6530-01-531-2896

UA's: N313, N316, 301A

USAMMA POC: Customer Relations Management, 301-619-4301/4316, DSN 343-4301/4316
UNIT PRICE: $6,518.90

System Description: The SR901 is truly unique. This Multi-Purpose Utility Table can be utilized to provide a functional operating table or OB GYN table, which is lightweight and compact to far forward remote areas allowing doctors to stabilize casualties and operate when necessary prior to transport. This table enables assisting nurses to customize the table to the doctor's specific needs for treatment in seconds. End item includes accessory kit B (stirrups). Unit has a capacity of 500 lbs.

Features:

- Mounted items can be repositioned horizontally along the side of table
- Table has trendelenburg capability, even while patient is on the table
- Patient can be transitioned to the right or left
- Each end of table can be raised a total of 6" in 1" intervals
- 1" of vertical micro adjustments available for leveling
- Patient can be lowered 4"
- IV poles can be mounted at any corner
- Accessory kits come in individual carry bags
