UNIT PRICE: \$169.09

System Description: 2.5volt diagnostic set with ophthalmoscope, operating otoscope, and "D" size battery handle.

Basic medical diagnostic set, complete with power handle and case. The diagnostic instruments feature a standard halogen lamp for better illumination, resulting in a better examination. The set includes a 2.5 volt Ophthalmoscope providing 28 lenses and 6 standard apertures. Operating Otoscope with an open system and rotatable lens and speculum for convenient procedures. 2.5 volt D size battery handle, with chrome-plated brass knurled finish, is ideal for situations where standard outlets are not available.
