UA's: 624A, N342, N417, N542, N742

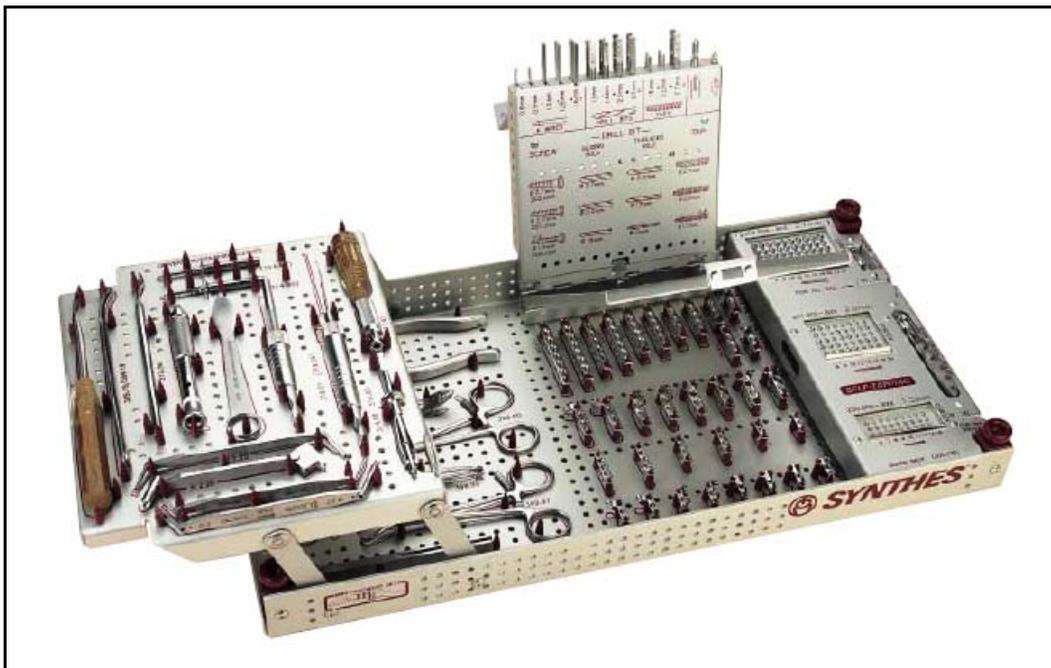

USAMMA POC: Customer Relations Management, 301-619-4301/4316, DSN 343-4301/4316

UNIT PRICE: \$14,579.00

System Description: This set includes the instruments and small implants used on patients. If the techniques described in the manual are properly followed, the chances for successful fixation are greatly improved. It is important that the standard instrument sets should always be complete so that during an operation an important instrument or implant is not missing.

Features: Some of the necessary tools and guides to properly install plates, pins and screws.

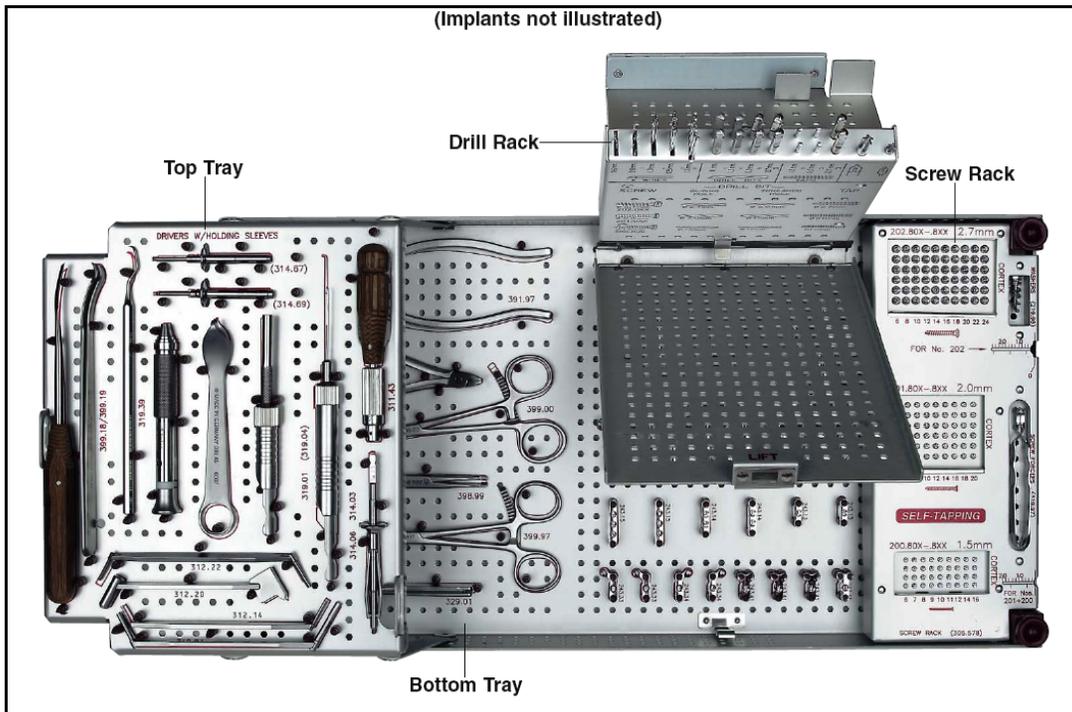

- Plates have grooved undersurface
- Plates have uniform stiffness
- LC-DCP plate holes provides bidirectional compression and uniform hole spacing
