AAC "J" ITEM NSN 6520-01-546-5077

UA's: 174A, 179A

**USAMMA POC: Customer Relations Management, 301-619-4301/4316, DSN 343-4301/4316
UNIT PRICE: \$18,675.35**

System Description: The system incorporates all of the functionality to perform any dental procedure from cleaning to oral surgery. The unit includes an electric motor, with or without fiber optics, high speed hand piece, low speed hand piece, air/water supply, air water syringe, high volume evacuator (HVE), saliva ejector, and variable speed foot switch. In addition an optional FDA cleared scalar and curing light are available.

The unit is lightweight and totally self-contained. The unit includes an oil less air compressor and vacuum pump that provides air to the water and air supply subsystems and suction for the saliva ejector and HVE, a self-contained water supply for hand piece coolant and oral irrigation, and a waste container for collection of liquids and solids from the HVE and saliva ejector. The product supports a variety of standard electric motors and all E-type connector hand pieces.

The unit can be quickly assembled or disassembled and packs into one molded shipping and storage container for safe transport and storage.

The assembly is composed of an electric power subsystem, an electronic control subsystem, a compressed air subsystem, a water subsystem and a vacuum subsystem.

To upgrade a DeFTOS II to a DeFTOS III use part number 9900001. Unit must be returned to Bell Dental.

Ordering the system without handpieces, order part number 4200011
