AAC 'L' ITEM NSN 6515-01-561-2228

USAMMA POC: Customer Relationship Management 301-619-1288/4301 - DSN 343-1288/4301

UNIT PRICE: \$26,160.00

System Description: This unit has reliability and ease of use for an electric high-speed powered system. The system is quiet, offers lightweight motors and cables, with a balanced ergonomic design. There is a standardized array of tools and attachments on all motor units.

Features:

- Speed adjustable from 10,000 to 75,000 rpm
- Improved overall system weight and balance - cable lighter, more flexible than pneumatic hose
- Excellent heat profile / duty cycle
- Reversible direction
- Enhanced ergonomic design
- No nitrogen or compressed air required
- Automatically adjusts to power sources around the world - standard electric wall connections world-wide
- Color coded cable connectors and cable receptacles
- Cable design prevents incorrect connection and assembly
