**UNIT PRICE: \$549.00**

**System Description:** These high accuracy scales are trusted for their absolute precision and long-lasting reliability. Scales are constructed of chrome-plated steel with a 13-inch glass covered double dial. Full capacity is reached in three pointer revolutions. Runners are indexed for each revolution. A zero adjust features allows zeroing of up to 10% capacity. Scales come standard with a machined stainless steel pinion and phosphor bronze rack combination for low friction performance even at elevated temperatures. The large, easy-to-read dials feature a knife edge pointer.

- Features:**
- 13 inch double dial
  - Capacity reached in 3 pointer revolutions
  - Chrome-plated steel outer band
  - Stainless steel pinion
  - Twin brass air dashpots eliminate pointer oscillation
  - Deep round stainless steel pan (14 ½ x 5 inch) 4 lb
